Preface

Established in 2002 through the Pakistan government's ordinance, the Aga Khan University Examination Board (AKU-EB) is country's first private autonomous qualification awarding body for secondary (SSC) and higher secondary (HSSC) school certifications. Its vision is to be a model of excellence and innovation in education in Pakistan and the developing world.

AKU-EB achieves its vision by developing examination syllabi which inculcate conceptual thinking and higher order learning and are aligned with National/ trans-provincial curricula and international standards. AKU-EB revises its syllabi periodically to support the needs of students, teachers and examiners.

The aims of the syllabus review of SSC and HSSC are to:

- Ensure continued compatibility with the goals of the trans-provincial curricula of Pakistan.
- Review the content for inclusion of new knowledge and deletion of obsolete knowledge.
- Review the content for clarity and relevance as per the changing needs of students, teachers and examiners.
- Enhance and strengthen continuation and progression of content both within and across grades IX - XII (SSC and HSSC).
- Ensure the readiness of students for higher education.

During the syllabus review, the needs of all the stakeholders were identified through a needs-assessment survey. Students and teachers of AKU-EB affiliated schools from across Pakistan participated in the survey. Thereafter, a revision panel, which consisted of examiners, teachers of affiliated and non-affiliated schools, teacher trainers and university academicians, reviewed and revised the syllabus following a planned, meticulous and standardised syllabi review process.

The syllabus is organised into topics and subtopics. Each subtopic is further divided into achievable student learning outcomes (SLOs). The SLOs of the cognitive domain are each assigned a cognitive level on which they have to be achieved. These cognitive levels are 'knowledge', 'understanding' and 'application', the latter also including other higher order skills. This is followed by the Exam Specification which gives clear guidance about the weightage of each topic and how the syllabus will be assessed.

The development of the revised syllabus has been made possible by the creativity and relentless hard work of Curriculum and Examination Development unit and the constant support provided by all the other units of AKU-EB. We are particularly thankful to Dr Sohail Qureshi for his very useful feedback on revising the syllabus review process, to Dr Naveed Yousuf for his continued guidance and support throughout the syllabus revision process and to Raabia Hirani for leading the syllabi revision. We are also thankful to all the students and teachers who took part in the needs-assessment survey and to the principals of AKU-EB affiliated schools who made this endeavour possible by facilitating and encouraging their teachers to be a part of the survey and the syllabus revision panel.

With your support and collective hard work, AKU-EB has been able to take the necessary steps to ensure effective implementation of the best international and trans-provincial standards through this syllabus. We are confident that this syllabus will continue to provide the support that is needed by students to progress to the next level of education and we wish the very best to our students and teachers in implementing this syllabus.

Dr Shehzad Jeeva

Chief Executive Officer (CEO), Aga Khan University Examination Board

Associate Professor of Practice, Faculty of Arts and Sciences, Aga Khan University

FOR ANNUAL EXAMINATION 2023 AND ONWARDS

Understanding of AKU-EB Syllabi

1. The AKU-EB syllabi guide the students, teachers, parents and other stakeholders regarding the topics that will be taught and examined in each grade (IX, X, XI and XII). In each syllabus document, the content progresses from simple to complex, thereby, facilitating a gradual, conceptual learning of the content.
2. The topics of the syllabi are divided into subtopics and **student learning outcomes (SLOs)**. The subtopics and the SLOs define the depth and the breadth at which each topic will be taught, learnt and examined. The syllabi also provide enabling SLOs where needed to scaffold student learning.
3. Each SLO starts with an achievable and assessable **command word** such as describe, relate, evaluate, etc. The purpose of the command words is to direct the attention of teachers and students to specific tasks that the students are expected to undertake in the course of their studies. The examination questions are framed using the same command words or their connotations to elicit evidence of these competencies in students' responses.
4. The SLOs are classified under three **cognitive levels**: knowledge (K), understanding (U) and application and other higher order skills (A) for effective planning during teaching and learning. Furthermore, it will help to derive multiple choice questions (MCQs), constructed response questions (CRQs) and extended response questions (ERQs) on a rational basis from the subject syllabi.
5. By focusing on the achievement of the SLOs, these syllabi aim to counter the culture of rote memorisation as the preferred method of examination preparation. While suggesting relevant, locally available textbooks for achieving these outcomes, AKU-EB recommends that teachers and students use multiple teaching and learning resources for achieving these outcomes.
6. The syllabi follow a uniform layout for all subjects to make them easier for students and teachers to follow. They act as a bridge between students, teachers and assessment specialists by providing a common framework of student learning outcomes and **exam specifications**.
7. On the whole, the AKU-EB syllabi for Secondary School Certificate (SSC) provide a framework that helps students to acquire conceptual understanding and learn to critically engage with it. This lays a solid foundation for HSSC and beyond.

Subject Rationale of AKU-EB Art and Model Drawing

What will you learn in AKU-EB Art and Model Drawing?

Art defines not only the environment around us but also within us. It reflects an individual's thoughts and perspective with the help of colours and symbols. The subject explicitly develops observation, hand and eye coordination but at the same times subtly teaches balance, collaboration, pluralism, appreciation etc.

The purpose of this syllabus is to guide/ assist the students through the essential knowledge regarding tools and techniques and its application in illustrations, composition, still life and portrait making. Furthermore, the students are also taken through the history of Art which leads them to observe, evaluate and appreciate the knowledge of essentials with the finished products which are part of our society throughout different time periods. Art require measurement, number manipulation, and proportional thinking, all of which foster logical thinking as well. Students can examine conflict, power, emotion, and life itself.

The essence is to teach them to value history and the symbolism that art brings to our society enabling artists to represent and shape the society in terms of its structure and perceptions. The power of the art is in its wondrous ability to give us joy, help us understand tragedy, promote empathy, and make the written word come alive.

Where will it take you?¹

Art and Model Drawing provides ideal choices for careers in

- Advertising industry and marketing (advertiser, graphic designer, boutique)
- Entertainment industry (animators, graphic designers, cartoonists, digital animators, etc.)
- Decorator and designer
- Industrial designing
- Fashion and textile designing
- Education sector (teaching and administration)

How to approach the syllabus?

The topics and the student learning outcomes (SLOs) guide regarding the details about what has to be achieved. And finally, the exam specifications guide regarding what will be expected in the examination.

¹ Students may be required to study others subject alongside in order to qualify for graduate studies in these fields.

Student Learning Outcomes of AKU-EB SSC Art and Model Drawing Syllabus

Part I (Grade IX)

Topics and Sub-topics	Student Learning Outcomes		Cognitive Level ²		
			K	U	A
1. Fundamentals of Drawing, Painting, and Design	Students should be able to:				
1.1 Introduction to Art and Craft	1.1.1	describe the terms, 'art' and 'craft';		*	
	1.1.2	explain different branches of art <ul style="list-style-type: none"> • Fine Art <ul style="list-style-type: none"> ○ Painting ○ Sculpture ○ Architecture • Applied Art/ Craft <ul style="list-style-type: none"> ○ Performing arts ○ Traditional crafts; 		*	
	1.1.3	discuss the scope of studying Art and Model Drawing as a subject;		*	
1.2 Materials, Mediums and Techniques <ul style="list-style-type: none"> • Different Types of Paper • Graphite (pencil) • Charcoal/ Crayon (dry and oil pastels) • Poster Colour • Pen and Ink 	1.2.1	identify the materials mentioned in sub-topic 1.2;		*	
	1.2.2	differentiate among the given materials, mediums and techniques in terms of their usage;		*	
	1.2.3	explore the limitations associated with the use of each given material;			*
	1.2.4	use materials and tools that are appropriate to the assigned task;			*
	1.2.5	explore different paintings with similar mediums;			*

² K = Knowledge, U = Understanding A= Application and other higher-order cognitive skills.

Topics and Sub-topics	Student Learning Outcomes		Cognitive Level		
			K	U	A
	Students should be able to:				
1.3 Observation and Perception	1.3.1	differentiate between perception and observation;		*	
	1.3.2	describe the five steps of perception; <ul style="list-style-type: none"> • Looking • Seeing what is looked at • Understanding what one sees • Learning from what one understands • Relating to what one has learned; 		*	
	1.3.3	define visual activity, i.e. the ability to measure with eyes;	*		
	1.3.4	demonstrate the visual activity.			*

Topics and Sub-topics		Student Learning Outcomes		Cognitive Level		
				K	U	A
2. Creativity and Artistic Expressions		Students should be able to:				
2.1 Elements of Art and Principles of Design	<ul style="list-style-type: none"> Elements of Art <ul style="list-style-type: none"> Line Shape Form Space Colour Value Texture Perspective Principles of Design <ul style="list-style-type: none"> Balance Repetition Contrast Emphasis Movement Perspective Composition 	2.1.1	describe the elements of art and principles of design;		*	
		2.1.2	explain the relationship between elements of art and principles of design;		*	
		2.1.3	distinguish between the characteristics and functions of: <ul style="list-style-type: none"> horizontal and vertical line decorative and descriptive art symmetrical and asymmetrical design; 		*	
			2.1.4 identify the objects in terms of organic and inorganic shapes;		*	
			2.1.5 differentiate between <ul style="list-style-type: none"> 2D and 3D forms of art Hue and Tones Natural and Man-Made Textures One Point and Two Point Perspectives; 		*	
		2.1.6	describe gradation in terms of value;		*	
		2.1.7	explore physical and symbolical perspectives of elements of art;			*
		2.1.8	explore the different elements of art with the materials given in Sub-topic 1.2;			*
		2.1.9	apply the given elements of art and principles of design in drawing.			*

Topics and Sub-topics		Student Learning Outcomes		Cognitive Level		
				K	U	A
3. Art Appreciation		Students should be able to:				
3.1 Art as Visual Art and Applied Art	<ul style="list-style-type: none"> Still Life Portrait Landscape (interior of room, bird's eye view, nature study) 	3.1.1	explore the techniques used by different artists in different time periods while working on the given forms of art;			*
		3.1.2	list different artworks of different artists using the given forms;	*		
		3.1.3	identify different drawing techniques <ul style="list-style-type: none"> Line/ contour drawing Gesture drawing Volume drawing Tonal drawing Detailed drawing; 		*	
		3.1.4	draw with acquired knowledge of materials, mediums, techniques and elements of art and principles of design <ul style="list-style-type: none"> Still Life (objects, natural and manmade) Landscapes (interior of room, bird's eye view, nature study) Portrait (faces and expression of people); 			*

Topics and Sub-topics		Student Learning Outcomes		Cognitive Level		
				K	U	A
		Students should be able to:				
3.2	Art Criticism <ul style="list-style-type: none"> Listed Artworks <ul style="list-style-type: none"> Architecture: <ul style="list-style-type: none"> Mohenjodaro Julain Monastery Lahore Fort in Mughal Era Badshahi Mosque Quaid-e-Azam Masoleum Minar-e- Pakistan Paintings <ul style="list-style-type: none"> Ajanta caves Mughal Minatures Calligraphy <ul style="list-style-type: none"> Traditional geometric and cursive calligraphy 	3.2.1	evaluate the listed artworks' artistic merit using related information such as <ul style="list-style-type: none"> Name of the artist Title of artwork Time (year/ period) Medium of artwork Influences on artwork Content of the artwork Factors that make the artwork unique; 			*
		3.2.2	categorise the listed artwork given in the sub-topic 3.2 on historical and cultural timeline to trace the development of different forms of art;		*	
		3.2.3	analyse the impact of elements of art and principles of design in the listed artworks;			*
		3.2.4	interpret the meaning of symbols and images as used to express ideas, feelings, social and political themes in the listed artworks;			*
		3.2.5	discuss the importance of works of art and appreciate their contribution to the world we live in;		*	
		3.2.6	compare the purpose of art with respect to time periods;		*	
		3.2.7	relate symbolism and use of art in your surrounding environment with the history of art;		*	
		3.2.8	compare the listed artwork with that of modern-day art;		*	
		3.2.9	develop the relationship between the past and present with respect to the listed artworks given in sub-topic 3.2.			*

Topics and Sub-topics	Student Learning Outcomes		Cognitive Level		
			K	U	A
4. Life Skills through Art Education	Students should be able to:				
4.1 Project Work	4.1.1	explore the historical knowledge associated with any of the listed artwork in groups/ individually;			CA ³
	4.1.2	present the historical knowledge in front of the class;			CA
	4.1.3	create an artwork using the selected artwork as inspiration with the mentioned mediums and techniques in the syllabus.			CA

³ CA = Classroom Activity, not to be assessed under examination conditions

Part II (Grade X)

Topics and Sub-topics	Student Learning Outcomes		Cognitive Level		
			K	U	A
5. Fundamentals of Drawing, Painting and Design	Students should be able to:				
5.1 Materials, Mediums and Techniques <ul style="list-style-type: none"> Acrylic Colours Water Colours Collage (Paper) 	5.1.1	identify the materials given in sub-topic 5.1;		*	
	5.1.2	differentiate among the given materials, mediums and techniques in terms of their usage;		*	
	5.1.3	explore the limitations of each of the given material;			*
	5.1.4	use the given materials, mediums and tools as appropriate to the assigned task;			*
	5.1.5	explore different paintings with similar mediums.			*
6. Creativity and Artistic Expressions	Students should be able to:				
6.1 Elements of Art and Principles of Design <ul style="list-style-type: none"> Elements of Art <ul style="list-style-type: none"> Line Shape Form Space Colour Value Texture Perspective Principles of design <ul style="list-style-type: none"> Balance Repetition Contrast Emphasis Movement Perspective Composition 	6.1.1	explore the different elements of art with the materials given in topic 5;			*
	6.1.2	apply the elements of art and principles of design in creating design given in topic 5.			*

Topics and Sub-topics		Student Learning Outcomes		Cognitive Level		
				K	U	A
7. Art Appreciation		Students should be able to:				
7.1 Art as Visual Art and Applied Art <ul style="list-style-type: none">• Lettering• Logo• Illustration (poetry and prose)• Poster• Life drawing proportions with model	7.1.1	state the objectives of a poster <ul style="list-style-type: none">• to announce an event• to launch or sell a product• to promote a campaign• to inculcate an awareness of social values;	*			
	7.1.2	describe the terms ‘caption ‘and ‘slogan’ and its importance in conveying the message;		*		
	7.1.3	differentiate between an illustration and a painting;		*		
	7.1.4	demonstrate the understanding of the <ul style="list-style-type: none">• structure of skull• facial proportions;			*	
	7.1.5	draw the components of a portrait (eyes, lips, nose and ears) separately and in conjunction of a face;			*	
	7.1.6	draw the frontal view, profile and three-quarter view of a face with various expressions;			*	
	7.1.7	discuss the different proportions used for human drawing with respect to Art history;		*		
	7.1.8	explore the anatomy of the Urdu (Arabic and Persian) and English alphabets to manipulate them creatively;			*	
	7.1.9	explore different examples of lettering in newspapers, magazines, other print media and works of calligraphers;			*	
	7.1.10	apply expressive lettering innovatively;			*	
	7.1.11	explore the techniques used by different artists in different time periods while working on the given forms;			*	
	7.1.12	identify different artworks of different artists using the given forms;		*		

Topics and Sub-topics	Student Learning Outcomes		Cognitive Level		
			K	U	A
	Students should be able to:				
	7.1.13	draw with acquired knowledge of materials, mediums, techniques and elements of art and principles of design <ul style="list-style-type: none"> • Lettering (Urdu (Arabic)/ English) • Logo (with its explanation) • Illustration (poetry and prose) • Poster • Life drawing proportion with model; 			*
7.2 Art Criticism <ul style="list-style-type: none"> • Listed Artworks • Sculpture: <ul style="list-style-type: none"> ○ Indus seals ○ King Priest ○ Fsting Budha from Gandhara ○ Chaukandi graves ○ Makli Hills • Pottery: <ul style="list-style-type: none"> ○ Mehargarh ○ Indus Valley ○ Glazed Pottery • Metal Craft <ul style="list-style-type: none"> ○ Indus Dancing Girl ○ Coins 	7.2.1	evaluate the listed artworks given in topic 7 artistic merit using related information such as <ul style="list-style-type: none"> • Name of the artist • Title of artwork • Time (year/ period) • Medium of artwork • Influences on artwork • Content of artwork • Factors that make artwork unique; 			*
	7.2.2	categorise the listed artwork given in topic 7 on historical and cultural timeline to trace the development of different forms of art;		*	
	7.2.3	analyse the impact of elements of art and principles of design in the listed artwork;			*
	7.2.4	interpret the meaning of symbols and images as used to express ideas, feelings, social and political themes in their listed artwork;			*
	7.2.5	recognise the importance of works of art and appreciate their contribution to the world we live in;		*	

Topics and Sub-topics	Student Learning Outcomes		Cognitive Level		
			K	U	A
	Students should be able to:				
○ Armour	7.2.6	compare the purpose of art with respect to time periods;		*	
	7.2.7	relate symbolism and use of art in your surrounding environment with the Art history;			*
	7.2.8	compare the listed artwork given in topic 7 with that of the modern-day art;		*	
	7.2.9	develop the relationship between the past and present with respect to the listed artwork given in topic 7.			*
	Students should be able to:				
8.1 Project Work	8.1.1	explore the historical knowledge associated with any of the listed artworks given in topic 7 in groups/ individually;			CA
	8.1.2	demonstrate the historical knowledge in front of the class;			CA
	8.1.3	create a poster for the promotion/ awareness of the selected listed artworks using with the mentioned mediums and techniques in the syllabus.			CA

5.	Fundamentals of Drawing, painting and Design	4	20 Marks each (2 ERQs) Choose any ONE from TWO	5 pieces of artwork to be submitted at the time of examination which represents all the medium (submission of work created under 8.1.3 is mandatory)	75
6.	Creativity and Artistic Expressions	8			
7.	Art Appreciation	8			
Total		20	40	15	75

- Multiple Choice Question (MCQ) requires candidates to choose one best/ correct answer from four options for each question. Each MCQ carries ONE mark.
- Extended Response Questions (ERQ) will require answers to assess skills and techniques of art & model drawing.

- Tables 1 and 3 indicate the number and nature of SLOs in each topic in grades IX and X respectively. This will serve as a guide in the construction of the examination paper. It also indicates that more emphasis has been given to the Understanding (53% in IX and 31% in X), Application and higher order skills (38% in IX and 62% in X) to discourage rote memorization. Tables 1 and 3, however, do not translate directly into marks.
- There will be two examinations, one at the end of grade IX and one at the end of grade X.
- In each grade, the theory paper will be in two parts: paper I and paper II. Both papers will be of duration of 3 hours and 30 minutes.
- Paper I theory will consist of 20 compulsory, multiple choice items. These questions will involve four response options.
- Paper II theory will carry 55 marks and consist of 2 questions for assessing the skills and techniques of fine arts. Each question will be presented in an 'either/ or' form.
- The questions will be attempted on a drawing sheet provided separately at the time of examination.

***Portfolio**

- Submission of portfolio is compulsory for all candidates and carries 15 marks. The assessment of portfolio aims to reflect the artistic development of the candidate based on a selection of his/ her artwork over a period of time. For each candidate, 5 pieces of artwork in various media will be required.
- Portfolio should comprise of work of different media practiced during the school year.
- Portfolio should be developed by students and endorsed by a figure of authority, such as a teacher or principal, and submitted at the time of examination.
- Candidates are expected to submit a portfolio, which will carry several types of illustration/ artwork produced by the candidate throughout the year.

Acknowledgements

The Aga Khan University Examination Board (AKU-EB) would like to acknowledge the contributions of all those who played an important part in the revision of the AKU-EB SSC Art and Model Drawing syllabus.

We would like to thank **Munira Mohammad, Lead Specialist** and **Anita Saleem, Specialist, Humanities**, AKU-EB, for taking the **subject lead** during the entire process of revising the Art and Model Drawing syllabus.

We are particularly thankful to the **syllabus revision panel** for their time, commitment, and effort in revising the syllabus. The panel included:

- **Romila Kareem**
Associate Professor/ Head of Academics, Karachi School of Art, Karachi
- **Mariam Asim**
Pepperdine School, Skardu
- **Naheed Afridi**
Associate Professor, Karachi School of Art, Karachi

We also thank the following **post-revision reviewer** for their feedback on relevance of the content, skills and resources of the syllabus:

- **Arif Ansari**
Teaching Faculty, Indus Valley School of Art, Karachi

Furthermore, we would like to thank **External reviewer** for reviewing the syllabus for **higher education preparedness**, ensuring that the syllabus includes adequate skills and content to effectively prepare students for the next level of their education.

- **Amin Sattani**
Lecturer, Indus Valley School of Art, Karachi

In-house Team

- **Final Reviewer and Advisor: Dr Shehzad Jeeva**
CEO, AKU-EB
- **Mentor and Guide for Syllabi Review: Dr Naveed Yousuf**
Former Associate Director, Assessment
- **Syllabi Review Lead: Raabia Hirani,**
Manager, Curriculum Development
- **Syllabi Review Facilitators:**
Banazeer Yaqoob, Former Associate, Curriculum Development
Dur Nasab, Associate, Curriculum Development
Mahrukh Jiwa, Specialist, Middle School Programme
- **Syllabi Review Facilitator and Language Reviewer:**
Farah Naz Ata, Former Associate, Curriculum Development
- **Internal Reviewer: Zain-ul-Muluk**
Manager, Examination Development
- **Learning Resources Reviewer: Ali Bijani**
Manager, Teacher Support and Team
- **Administrative Support:**
Hanif Shariff, Associate Director, Operations
Raheel Sadrudin, Manager, Administration, and Team
- **Syllabi Feedback Data Analysts:**
Tooba Farooqui, Former Lead Specialist, Assessment
Muhammad Kashif, Former Specialist, Assessment
Muhammad Faheem, Lead Specialist, Assessment
- **Design Support: Hatim Yousuf**
Specialist, Communications

We would like to thank the students and teachers of affiliated schools from across Pakistan who gave their valuable feedback at various stages of the review process.

We also thank **Shahid Arwani**, Assistant AKU-EB, for data compilation and formatting. In addition, we thank **Noshaba Hameed**, Assistant AKU-EB for her support during formatting.
