SECONDARY SCHOOL CERTIFICATE

CLASS IX

MODEL EXAMINATION PAPER 2020

Elements of Home Economics Paper II

Time: 2 hours 15 minutes Marks: 45

INSTRUCTIONS

Please read the following instructions carefully.

1. Check your name and school information. Sign if it is accurate.

**I agree that this is my name and school.
Candidate's Signature**

RUBRIC

2. There are TWELVE questions. Answer ALL questions. Questions 10, 11 & 12 each offer TWO choices. Attempt any ONE choice from each.
3. When answering the questions:

Read each question carefully.
Use a black pointer to write your answers. DO NOT write your answers in pencil.
Use a black pencil for diagrams. DO NOT use coloured pencils.
DO NOT use staples, paper clips, glue, correcting fluid or ink erasers.
Complete your answer in the allocated space only. DO NOT write outside the answer box.
4. The marks for the questions are shown in brackets ().

Q.1. (Total 4 Marks)

A community child care centre requires services of a home economist. Describe any FOUR responsibilities that the home economist may perform to develop a healthy environment for children.

Q.2. (Total 4 Marks)

Ahmed, a 5 year old boy, generally does not have the habit of bed wetting but at times he shows a sudden lapse. His mother gets annoyed when he spoils the bed.

a. Identify ONE common psychological reason for this behavioural problem. (1 Mark)

b. Suggest any THREE ways through which Ahmed's mother can help him overcome this habit. (3 Marks)

Q.3.

(Total 4 Marks)

Recent test reports of Badar indicate that he is at a risk of coronary heart disease.

Write any FOUR lifestyle changes that he should adapt to prevent the disease and improve his health.

Q.4.

(Total 3 Marks)
