Q.8. (Total 5 Marks)

Afia, Sana and Kiran are partners in Ideal Confectionaries Store. Their partnership is based on equal profit and loss sharing ratio. The following is the statement of financial position.

| Assets             |           | Equities        |           |
|--------------------|-----------|-----------------|-----------|
| Current assets     | 450,000   | Account payable | 100,000   |
| Non-current assets | 550,000   |                 |           |
|                    |           | Afia's capital  | 300,000   |
|                    |           | Sana's capital  | 300,000   |
|                    |           | Kiran's capital | 300,000   |
| Total              | 1,000,000 | Total           | 1,000,000 |

When Kiran retires from the partnership firm, below are the three scenarios which can be possible.

**Scenario 1:** Kiran is paid Rs 150,000 from the firm and for the balance amount a six-months 10% notes payable are issued. (1 Mark)

**Scenario 2:** Kiran's 50% share will be purchased by Afia and the rest of the amount would be paid from the firm resources. (2 Marks)

**Scenario 3:** Kiran's 40% shares will be purchased by Afia for Rs 130,000 and 60% shares will be purchased by Sana for Rs 200,000. The payments will be made by their private sources. (2 Marks)

Prepare general journal entries for each of the given scenarios.
